Overview

Beach Holiday 7 Days is a well-balanced Zanzibar escape created for travelers who want time to relax on the island’s best-known beaches while still experiencing different coastal moods in one trip. Organized by Hike Africa Tours and safari, this private holiday starts in Nungwi, where guests enjoy the vibrant northern shoreline, easy beach access, and sunset atmosphere. The journey then continues to Kendwa, known for its beautiful white sand, swimmable beach, and relaxed setting that works well for couples, friends, and leisure travelers. The final part of the trip is spent in Paje on the southeast coast, an area loved for its open beach scenery, breezy coastline, and easy-going village feel. This itinerary is designed as a comfortable private trip with enough time for rest, optional water activities, beach walks, and enjoying Zanzibar at a slower pace. It suits travelers looking for a standard beach package with simple logistics, clear routing, and quality time by the Indian Ocean.

Frequently Asked Questions

Is this Zanzibar trip private?

Yes. This package is planned as a private trip, meaning transfers and the trip flow are arranged for your booking rather than as a shared group departure.

What kind of holiday is this package best for?

It is best for travelers who want a relaxed beach holiday with time to unwind rather than a fast-moving sightseeing program.

Can I add activities like snorkeling or a dhow cruise?

Yes. Optional activities can be added based on your interests, available time, weather conditions, and budget.

Does the starting price include flights?

No. The starting price is for the land package only and does not include international or domestic flights unless added separately.

Can this package be adjusted to a different hotel standard?

Yes. The itinerary can usually be customized to match budget, mid-range, or higher-end accommodation preferences.

Is Paje different from Nungwi and Kendwa?

Yes. Paje has a more laid-back southeast coast atmosphere, while Nungwi and Kendwa are on the north coast and are often preferred for easier swimming and sunset views.
