Itinerary

Day 1

Day Trip to Kikuletwa hotspots & Maasai village visit.

Meals: Lunch | Accommodation: Your hotel in Moshi/Arusha

We start early in the morning and are accompanied by our English-speaking guide. The road takes us through beautiful landscapes: African bushland where we see dried-up river beds, baobab and acacia trees and sugar cane plantations. Once we arrive in the village, please remember to be a respectful guest and do not take pictures of the villagers without asking. During the visit you will have a chance to mingle with the Maasai and chat with them, but your social skills and creativity will determine how much they open up to you. Your English-speaking guide will assist you and translate into Kimaasai, as the Maasai some of them do not speak any other languages. Whilst you walk through the village with your guide, you will learn more about the culture of the Maasai. This will include a lesson on traditional Maasai medicine and the opportunity to taste the local Maasai tea. We will also have the opportunity to visit a Maasai homes. In the early afternoon, we will leave the village and continue to the Kikuletwa Hot Springs, which are near the village of Rundugai. The Kikuletwa Hot Springs are certainly one of the most beautiful places in Tanzania - the hot springs are surrounded by fig and palm trees and winding roots - a real hidden paradise. The crystal clear, turquoise waters invite you for a refreshing swim. Although called a hot spring, water in Kikuletwa is not hot, but rather refreshing since the water source is from the Kilimanjaro mountain itself. After enjoying a swim, we will have a picnic lunch. Once we have relaxed fully, we will return to Moshi/Arusha in the late afternoon.
